

***Butte City Hunting Club, Inc.
Fall Newsletter, September 2019***

***To: All club members
From: The Executive Board***

Greetings to All:

Have you seen the Department of Fish and Wildlife Waterfowl Regulations, be informed about the changes?

Trailer Parking is set for October 26, 2019. It is critical we have some information about your trailer size and width. As our parking area has been redefined. We need to know if you have slide-outs, also please provide us with your insurance information, and payment. Note parking form attached to newsletter. Please contact Phil Frey, club manager prior to bringing your trailer with information requested, at 530-518-8635.

We had an unfortunate situation this spring with our main landlord. Metal rebar was left in the field and caused significant damage to his equipment which the club was responsible for. Absolutely, no metal in any of our fields.

***BCHC website: Be Informed
Utilize the club website for updates on your field preparations. It also has a calendar of club activities for upcoming season
Site: www.buttecityhuntingclub.com***

The club also maintains a Facebook page, for members to share photos and updates.

Sincerely the Executive Board
